Introduction

Wodonga Primary School is committed to providing a school community where students can maximise their learning while remaining safe.

Purpose

To ensure that all students and members of our school community understand:

- Our commitment to providing students with the opportunity to benefit from digital technologies to support and enhance learning and development at school;
- Expected student behaviour when using digital technologies, including the internet, social media, and digital devices (including computers, laptops, tablets);
- Our school's commitment to promoting safe, responsible and discerning use of digital technologies, and educating students on appropriate responses to any dangers or threats to wellbeing that they may encounter when using the internet and digital technologies; and
- Our school's policies and procedures for responding to inappropriate student behaviour on digital technologies and the internet.

Scope

This policy applies to all students at Wodonga Primary School.

The Department's Acceptable Use Policy governs staff use of technology.

Policy

Vision for Digital Technology at Our School

Wodonga Primary School understands that digital technologies, including the internet, apps, computers and tablets, provide students with rich opportunities to support learning and development in a range of ways.

Through increased access to digital technologies, students can benefit from enhanced learning that is interactive, collaborative, personalised and engaging. Digital technologies enable our students to interact with and create high-quality content, resources and tools. It also allows personalised learning tailored to students' particular needs and interests and transforms assessment, reporting and feedback, driving new forms of collaboration and communication.

Wodonga Primary School believes that the use of digital technologies at school allows the development of valuable skills and knowledge and prepares students to thrive in our globalised and interconnected world.

Wodonga Primary School No. 37 - Policy

Our school's vision is to empower students to use digital technologies to reach their personal best and fully equip them to contribute positively to society as happy, healthy young adults.

Devices at School

Wodonga Primary School may provide devices, offer leasing options, Bring Your Own Device programs or a combination of these.

Safe and Appropriate Use of Digital Technologies

Digital technology, if not used appropriately, may present risks to users' safety or wellbeing. At our school, we are committed to educating all students to be safe, responsible and discerning in the use of digital technologies, equipping them with skills and knowledge to navigate the digital age.

At Wodonga Primary School, we:

- use online sites and digital tools that support students' learning, and focus our use of digital technologies on being learning-centred;
- ensure the use of digital technologies in the classroom is aligned to specific uses with targeted educational or developmental aims;
- supervise and support students using digital technologies in the classroom;
- effectively and responsively address any issues or incidents that have the potential to impact on the wellbeing of our students;
- have digital citizenship programs in place to educate our students to be promoting safe, responsible and discerning use of digital technologies;
- educate our students about digital issues such as online privacy, intellectual property and copyright, and the importance of maintaining their own privacy online actively educate and remind students of our *Student Engagement* policy that outlines our school's values and expected student behaviour, including online behaviours;
- have an Acceptable Use Agreement outlining the expectations of students when using digital technology at schools;
- use clear protocols and procedures to protect students working in online spaces, which includes reviewing the safety and appropriateness of online tools and communities, removing offensive content at the earliest opportunity;
- educate our students on appropriate responses to any dangers or threats to wellbeing that they may encounter when using the internet and other digital technologies;
- provide filtered internet service to block access to inappropriate content;
- refer suspected illegal online acts to the relevant law enforcement authority for investigation; and
- support parents and carers to understand the safe and responsible use of digital technologies and the strategies that can be implemented at home through regular updates in our newsletter and annual information sheets.

Distribution of our school-owned devices to students and personal student use of digital technologies at school, will only be permitted where students and their parents/carers have completed a signed Acceptable Use Agreement.

It is the responsibility of all students to protect their own password and not divulge it to another person. If a student or staff member knows or suspects an account has been used by another person, the account holder must notify the classroom teacher as appropriate, immediately.

All messages created, sent or retrieved on our school's network are the property of the school Wodonga Primary School reserves the right to access and monitor all messages and files on the computer system, as necessary and appropriate. Communications, including text and images, may be required to be disclosed to law enforcement and other third parties without the consent of the sender.

Student Behavioural Expectations

When using digital technologies, students are expected to behave in a way that is consistent with our school's Statement of Values, Student Engagement policy, and Bullying Prevention policy.

When a student acts in breach of the behaviour standards of our school communities (including cyberbullying, using digital technologies to harass, threaten or intimidate, or viewing/posting/sharing of inappropriate or unlawful content), our school will institute a staged response, consistent with our policies and the Department's Student Engagement and Inclusion Guidelines.

Breaches of this policy by students can result in several consequences which will depend on the severity of the breach and the context of the situation. This includes:

- Removal of network access privileges.
- Removal of email privileges.
- Removal of internet access privileges.
- Removal of printing privileges.
- Other consequences as outlined in the school's Student Engagement and Bullying Prevention policies.

Implementation

Wodonga Primary School will have students (in some instances, parents/carers) sign and adhere to an Acceptable Use Agreement outlining a commitment to this Policy.

Review Cycle

This policy will be reviewed every three years or more often if necessary due to changes in legislation or circumstances.
