Wodonga Primary School No. 37 - Policy

Bullying, harassment and other forms of inappropriate behaviour targeting individuals because of their personal attributes will not be tolerated in our school community. Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.

Wodonga Primary School will take appropriate measures, consistent with the Student Wellbeing and Engagement, and Bullying and Prevention policies to respond to discriminatory behaviour or harassment at our school. Students that are involved in bullying or harassing others on the basis of their personal attributes will be supported to understand the impact of their behaviour.

Wodonga Primary School understands that it has a special obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action taken to assist all students to participate in their education on the same basis as their peers. Reasonable adjustments will be made for students with disabilities through our Student Support Group processes in consultation with the student, their parents/carers and/or their support person, their teachers and if appropriate, their treating practitioners. For more information about support available for students with disabilities, please refer to the Student Wellbeing and Engagement policy or contact the school for further information.
