## 2022 LITERACY INDIGENOUS DAY

Wednesday 7th September marks Indigenous Literacy Day. We are lucky to be able to connect as a whole school to this day and celebrate indigenous stories, cultures and languages through a free live stream event with Jessica Mauboy and Gregg Dreise at 10:30am. Indigenous Literacy Day (ILD) is an opportunity to share and learn about the diversity of Aboriginal and Torres Strait Islander Peoples, Stories, Cultures and Languages. Our school has recently purchased 3 kits of 'Our Stories, Our Land' for all students to access and engage with these rich resources during classroom literacy sessions.

## WE WANT OUR PARENTS/CAREGIVERS/GUARDIANS TO TELL US WHAT THEY THINK!

Our school is conducting a survey to find out what parents/caregivers/guardians think of our school. The Parent/Caregiver/Guardian Opinion Survey is an annual survey offered by the Department of Education and Training that is designed to assist schools in gaining an understanding of families' perceptions of school climate, student behavior, and student engagement. We encourage all families to participate in this survey. Our school will use the survey results to help inform and direct future school planning and improvement strategies.

The Parent/Caregiver/Guardian Opinion Survey will be conducted from **Monday 15<sup>th</sup> August to Friday 16<sup>th</sup> September**. The survey will be conducted **online**, only takes **20 minutes** to complete, and can be accessed at any convenient time within the fieldwork period on desktop computers, laptops, tablets or smartphones. The online survey will be available in a range of languages other than English. These include: Arabic, Vietnamese, Simplified Chinese, Chin (Hakha), Hindi, Japanese, Somali, Turkish, Punjabi and Greek.

All families will be able to access the survey via the link provided in a **COMPASS newsfeed** distributed today. Thank you in advance for your time and support in doing the survey.

## PROFESSIONAL PRACTICE DAY – TERM 3 PUPIL FREE DAY

THEIRCARE will be running a service on this day. The pupil free day is a part of the State Government and the Fair Work commission's adherence to the current award conditions for teachers. Please be sure to mark this on your calendars.

### **WODONGA SENIOR SECONDARY COLLEGE PHYSICAL EDUCATION SESSIONS**

Over the last 2 weeks some students from WSSC have facilitated physical education sessions, as part of their course of study, for two of our Year 2 classes, MI4 and MI5. The Secondary students had multiple stations organised each week that focused on a variety of skills that our Year 2 students are developing. The activities were engaging and challenging, with the secondary students providing feedback and personalised coaching to our students to assist their development. Our students had a lot of fun, thoroughly enjoying the experience to be active and learn from the Secondary Students.

All the photos from the sessions can be viewed on our WPS Facebook page.

### **DISTRICT ATHLETICS CARNIVAL**

The Wodonga District Athletics Carnival is being held on Friday 2<sup>nd</sup> September (Week 8) at Alexandra Park Albury. Our WPS District Team was announced this morning at assembly. (The 800m and High Jump event qualifiers will be finalised this week through a final round of trials). Students are only allowed to participate in 2 individual events and 1 relay at the District Carnival. Students who qualified in more than 2 events have met with me to select their events for the carnival.

A Compass Event with all the carnival details will be available later this week for families to consent and pay for their child/ren to participate at the carnival.

### **AUSTRALIAN FOOTBALL NATIONAL CHAMPIONSHIPS REPORT**

Recently, Kye Linsen travelled to Adelaide, South Australia, as part of the Victorian U12's *Australian Football team*, to participate in the National Championships. The Championships were held over a week-long period from the 6<sup>th</sup> to the 12<sup>th</sup> of August.

Victoria began their campaign with a resounding victory over Queensland, 57-7. The next day they continued their winning ways with a commanding victory over New South Wales, 65-13. The third round saw Team Vic annihilate a helpless team from the Australian Capital Territory, 74-0. This victory, however did little to help prepare Team Vic for the final 2 matches of the tournament against much more challenging opposition.

After a day of rest the Victorian Team started as favourites against Western Australia. In a see-sawing battle that showcased some impressive skills from both teams, WA turned on their best performance of the tournament and upset Victoria with a 41-21 victory. After experiencing their 1<sup>st</sup> defeat of the tournament, Team Vic had to regroup ahead of their final game of the tournament against South Australia. Team SA had earned the title of tournament favourites as they were playing consistent, exceptional football and were undefeated going into the final round of the tournament. In a tough, low-scoring game where neither team was giving away any space to their opponents, Team Vic was matching it with the SA team. Despite their admirable efforts team South Australia proved too good on the day, winning the match 37-16.

South Australia were awarded the title of U12 Australian Football National Champions for 2022. Team Western Australia were the runners up, with Team Victoria finishing in 3<sup>rd</sup> position.

Congratulations to Kye and his family for their devotion in being part of Team Victoria and all the travelling that it involved for training and then the championships themselves. What a truly amazing experience for a young aspiring footballer to be a part of. Our WPS community is incredibly proud of Kye and we look forward to seeing what he can achieve with his football in the years ahead.

### **MASCOT CHALLENGE**

I am incredibly excited to have our Mascot Challenge beginning today for our Foundation, Year 1 and Year 2 students. The Mascot Challenge is a free 4 week program offered by Cricket Australia where students spend an action packed 10 minutes a day developing fundamental motor skills for healthy active lifestyles.

Today, every student receives a stress ball, certificate and sticker sheet to be awarded throughout the program. Each week is focused on developing a new fundamental skill, such as catching, throwing and bouncing. Students are given a target for four activities progressing in difficulty, allowing students to develop at their own pace in a fun, supportive environment. At the completion of the challenge, students will be proudly bringing home their completed certificate and their stress ball to keep as a reward for finishing the challenge.
