I have been working at Wodonga Primary School for 6 years; 2 years as a classroom teacher and this is my fourth year as a Learning Specialist. Before this, I was working as a Classroom Teacher at Kiewa Valley Primary School.

My bright ideas for the school

My bright ideas for the school is to assist in continuing the excellence that is demonstrated in keeping students at the centre of all decisions made at the school.

What is the best thing about Wodonga Primary that you would tell people who are not at the school?

Wodonga Primary School's drive for excellence behind their motto of 'Engage Learning, Expand Minds' aligns with my philosophy as both an educator and a parent.

My special hobbies / talents are:

- Organising cupboards
- Making labels
- Reading
- Spending time with my family and friends
