

Christine Forrest

DET Rep

Taskforces: Home Learning/Reading & Policies

Introduce yourself and your family:

I've been working in education for 20 years and have spent much of that time at Wodonga Primary School. I have experienced a variety of roles within the school and worked with lots of different staff members and families over the years.

I live in Wodonga and have two children who have both attended WPS. I have a pet dachshund named Snags who is quite cheeky and loves playing fetch.

My family and I are quite active and enjoy playing different sports and spending time together.

My bright ideas for the school

Rather than sharing 'my' bright idea, I believe it is important to collaborate as a school to work on new initiatives or improvements to the school. As our School Strategic Plan comes to an end this year, it will be an exciting time to review our success and prioritise goals for WPS moving forward.

What is the best thing about Wodonga Primary that you would tell people who are not at the school?

The way the community comes together and works as a team is something that I enjoy about coming to WPS each day. Being able to walk through classrooms and see the success the students are having 'in the moment' every day, and be able to share and celebrate those moments with them, is wonderful.

My special hobbies / talents are:

I love getting out and about when I'm not at work and enjoy bushwalking or exploring new places and towns. I also like bike riding, although a recent experience on the mountain bike trails showed me I wasn't quite as skilful as I thought!! Ouch!
