Introduce yourself and your family:

My wife, Karen, and I grew up in Wodonga and both attended WPS.

We have now returned to the region and have two daughters, with our youngest (Violet) in grade 6 this year.

What is the best thing about Wodonga Primary that you would tell people who are not at the school?

The focus on continual improvement and the way that the staff are always working to find better ways to do things.

This is despite the fact that the school is already leading in many areas.

My special hobbies / talents are:

When I am not working, I enjoy family time, running and gliding.
