Taskforces: Home Learning/Reading & School Review

Introduce yourself and your family:

My name is Lisa. My fiancé Connor and I have lived in Albury for our whole lives and first met in High School! We love to travel, walk our beautiful dog and see live music together.

I have worked at Wodonga Primary for 5 years as a classroom teacher and am I also involved in my fiancé's local mechanical workshop.

My bright ideas for the school

Maintaining a collective responsibility for all students within the school.

What is the best thing about Wodonga Primary that you would tell people who are not at the school?

The 5Cs of Wodonga Primary define what I love about our school. These Vision Principles outline WPS' strong values and priorities.

I believe that our positive culture at WPS is commendable. Wodonga Primary's shared visions lead to great success when working with our community.

My special hobbies / talents are:

- Creating a mean spreadsheet
- Secretly an IT geek
- Staying organised
