

## MELANIE SIMPSON

**PARENT Rep – SC Secretary**

**Taskforces:** School Review, Policies & Priority Projects

### **Introduce yourself and your family:**

My name is Mel. I have two children, my daughter Lexie is in Grade 1 this year and my son Isaac is in kindergarten.

My husband Todd and I have lived in Wodonga for 8 years. We love to play tennis, go for bike rides and walk our dogs together as a family.

I work as a Procurement Coordinator in state government and my husband and I are also involved in his family's local modular building business.

### **My bright ideas for the school**

To participate in the continuous development of Wodonga Primary and ensure that the great standards continue.

I think it is very important to consider everyone's ideas and opinions, not just through the council meetings but also throughout the wider school community.

### **What is the best thing about Wodonga Primary that you would tell people who are not at the school?**

Wodonga Primary is a very welcoming school with a really positive community feel. The teachers are dedicated and the students are at the centre of all decisions. Lexie really loves coming to school every day!

### **My special hobbies / talents are:**

Horse riding, which Lexie has recently taken an interest in too!
