Introduce yourself and your family:

My wife, Jas and I both grew up in North East Victoria and agree that it is the best place around to raise a family.

I've been a member of the Australian Public Service for the last 5 years and when I'm not working, enjoy relaxing with friends and family.

I have two daughters both at WPS, Amelia (Year 1) and Briana (Foundation), who constantly keep me on my toes and I wouldn't have it any other way!

As a fun fact that will probably make the both of us feel old, Damian Duncan gave me my pen licence when I was in Grade 3 back in 1993.

My bright ideas for the school

With still being such a new member of the WPS, I am looking forward to learning how WPS does the amazing work it does, and seeing how I can use my experience to help the school achieve its goals.

What is the best thing about Wodonga Primary that you would tell people who are not at the school?

The biggest thing that I always notice is how quickly you notice the school's size. The staff know every student and no matter how busy they are there is always time to say hello or help out.

My special hobbies / talents are:

Nothing too spectacular I'm afraid!

I enjoy reading, gaming and supporting the New York Rangers ice hockey team.
