

SELMA CATHERWOOD

PARENT Rep

Taskforces: Home Learning/Reading

Introduce yourself and your family:

My name is Selma. I have 2 children that attend Wodonga Primary School - in Grade 4 and Grade 2.

We have lived in Wodonga for just over 11 years, and we love this area.

I have been a Veterinarian for 16 years.

My bright ideas for the school

- To keep the current level of enthusiasm for learning and growth that this school has.
- To keep the school functioning at a sustainable level that nurtures the education of the children.

What is the best thing about Wodonga Primary that you would tell people who are not at the school?

Wodonga Primary School is a very positive and enriching school. My children love to come to school each day.

The teachers and staff are both professional and friendly.

My special hobbies / talents are:

My family and I enjoy going on walks and finding new walking tracks to explore.

I enjoy knitting, crocheting, and going to the gym when I can find time.
