

## CORRIE PIERCE

### Parent Rep

**Taskforces:** Priority Projects, Software Program Review, Parent Squad

Hi, my name is Corrie Pierce, my husband is Adam and we have two gorgeous kids Chloe & Ryan.

WPS was my primary school and is now my kids too. We love scooting to school each morning.

I love books, chai lattes and catching up with friends

As a child, I attended Wodonga Primary School, and although it's grown in size since then, the community vibe remains the same. I love seeing my children grow and explore their talents at WPS and joined the School Council to learn more about the culture and how I could support my kids.

WPS is big but so is the community that surrounds it. Being part of that is very special. The size of our school also means lots of diverse opportunities for the kids.

**What might the school community be surprised to know about you?** I love to get out and about in our caravan exploring Australia with the family. We've had our van for nearly two years and get out in it as much as possible. Oh, I also can't stand peas!
