Vision

The Wodonga Primary School Vision statement is to "Engage Learning and Expand Minds" to provide students with the best possible foundation in life through a well-rounded education.

Objective

Wodonga Primary School prides itself on being a place of learning. Our core focus is to instil the skills and understandings about learning to enable all students to self-manage their learning pathway. Wodonga Primary School keeps learning visible so that students can know their previous learning, their current learning and their next step in learning. Our school's vision of "Engage Learning, Expand Minds" has five (5) Vision Principles that the school community believes are important for all students during their primary learning.

Values

1. **Culture: Shared vision to achieve success**

- The KIND rules are the foundation for ensuring a proactive learning environment is established at Wodonga Primary.
- Our students understand the importance of practising the KIND rules in every area of the school.

2. **Community: A sense of belonging, commitment and shared responsibility.**

Wodonga Primary School is committed to the community in three areas - school, local and global.

3. **Curiosity: Wondering about the world, seeking to discover.**

Our Discovery process encourages students to ask questions about their world and to link learning to real life situations.

4. **Challenge: High expectations, an ambition to achieve.**

Wodonga Primary School embraces the Learning Pit and making mistakes in order to be challenged in your learning.

5. **Collaboration: Progressed learning by working together.**

Forming workable partnerships to achieve a common goal.
